Hi Ed,

I thought you might have been ccd on this in another message but I can't find it so wanted to send this along. It sounds like you, as my supervisor, will have input in whether you think this is the agency's best interest. Hopefully we can chat early next week.

Katie

Hi Katie-

We received the subpoena via email, and the original should be in the mail to you. Next steps: Review the letter, and meet to discuss! I'm in training all day today and tomorrow – I'll look for a time on Thursday or Friday. We can meet over the phone if in-person doesn't work for our schedules.
